Large 6 Bedroom Villa divided into 3 independent Apartments with Potential for B&B in São Brás

The imposing villa is situated in an elevated position overlooking the town and only ten minutes walk away from the center with market hall, shops, restaurants and all amenities.

There is a paved driveway with parking areas from the entrance gate to the wooden garage door. There is a stone balustrade on the terrace outside the studio apartment and this leads down a few steps to the poolside area. The studio has its own separate entrance, a large room with pre-installation for a kitchenette and a spacious bathroom.

Eye-catching white and blue tiles decorate the steps of the outside wide staircase leading up to the main entrance on the first floor.

A double glass door, which can be locked, separates the living areas from the entrance hall and the staircase going up to the second floor. The living and dining room, as well as the bedrooms and the

master suite, are amazing spacious. Therefore, the two bedrooms without private bathrooms could have their own bathroom if required.

A special feature is a oval table on the dining terrace outside of the kitchen, with a BBQ and access to the garden area. The second floor consists of a large entrance area that could be a great living room, two large bedrooms and a bathroom.

Most striking is the covered terrace on this floor; very spacious and with extensive views. This property is a pleasant residence or a holiday home with the immense potential for a rental business.
